

Top O' The Thumb Snowmobile Club

The Top O' The Thumb Snowmobile Club, Inc. was formed in 1967. We create, sign, brush, maintain and groom approximately 50 miles of trails from County ZZ in Sister Bay north to the tip of the Door Peninsula at Gills Rock. Our trails are on land owned by approximately 115 landowners, nearly all of them private.

We welcome new members, especially those willing to help with our trails and fund raising events.

For further information about our Club you may contact Gene Norby at (920) 839-5054 or email at totsc@aol.com
