

Upcoming Events: WE NEED YOUR HELP!

Clark Lake Phragmites Workday: For the 4th year now the Clark Lake Association will be treating phragmites on the shoreline. **We are still in need of help** on **Saturday September 10th!!** Lunch will be provided. Meet at Schauer Park at 8am. Contact Marne for more information.

Clark Lake Phragmites Workday

TNC Phragmites @ North Bay:

The Nature Conservancy is looking for help in treating phragmites on North Bay. September 6, 7, 9, 14 and 15th. Meet at the Baileys Harbor Town Hall, and then head to corner of Hwy Q and North Bay Drive. **Contact Sam Lindquist for the time to meet:**

slindquist@tnc.org

Buckthorn on Whitefish Dunes Creek: CCI (Center for Cultural Interchange) international students will be working at Whitefish Dunes State Park to curb the buckthorn expanding around Whitefish creek. Come and join us Wednesday Sept 14th from 5-7pm. Meet at the gated parking lot on Cty WD. Snacks to follow! **Contact Marne for more info:** marne@ridgessanctuary.org

Buckthorn Work Party @
Whitefish Dunes State Park

Barberry Pirates @ Pickerel
Pond, Tuesday Mornings- 9AM

Barberry Pirates: The Ridges Sanctuary's weed crew meets every

Tuesday morning at 9am. In the next coming weeks we will be hiking out to Pickerel Pond to treat phragmites. Please let us know if you would like to be added to our e-mail listserv to be informed about our weekly plans for where and when to meet, and what to be prepared for. Pirate appropriate snacks!

Contact Marne: marne@ridgessanctuary.org

Bjorklunden Phragmites: If you have a few hours and are interested in helping us bundle phragmites at Bjorklunden, give us a jingle: Call Marne Kaeske at 920-839-2802
